New Life Korean School Newsletter

Dear Parents/Guardians,

It feels like it was a couple of weeks ago when we opened the door of NLKS for Spring 2023 semester, but students at our school will be taking their well-deserved break this week. We hope your students and your family are staying well and healthy. This is a newsletter for March 2023.

1. School Hour

- As you know, you can drop off your kids from 5 PM on Friday, and class starts at 5:30 PM sharp. Please make sure that your kids come to their classrooms before the bell rings for the first class at 5:30 PM.
- Some of our teachers will be available to meet your students 15-20 minutes before school starts, if you think it is necessary to improve their Korean. Please let us know if you or your kids are interested in this extra learning opportunity.

2. Important Events

- Writing/Drawing Contest
 - Time: April 1st (Saturday), 10:00 AM – 1:00 PM
 - Location: St. Lawrence Korean School (St. Lawrence Korean Catholic Church, 4310 S. Pitkin St, Aurora, CO 80015)
 - Students will compete their writing or drawing skills with other Korean Schools' students in Colorado. The same topic and time will be given to students, and students need to choose only one area (writing or drawing).
 - The fee for this program is \$10 per student, and students need to bring their own writing/drawing materials.
 - Students will also have some fun time to meet firefighters from the Aurora Fire Department and the fire engine after the event.
 - Please sign up for this event [using this link](#) by the end of this Friday (3/31).
 - FYI, the class on March 31 will run as usual.
- “My Dream” Speech Competition
 - April 22nd (Saturday), New Gate Church
 - Students will speak about their dreams for about 3-4 minutes. Some students on an intermediate or advanced level may want to participate in this competition.
 - When teachers contact you to encourage your kids' participation, please support for their preparation.

3. Reminder

- If students have any symptoms of flu, cold, or COVID, please let them stay at home.
- We are really grateful for all parents' volunteers who have supported our kitchen team who serves about 100 people every week. If you are interested in volunteering for students, please let us know. If you have, you can come to the kitchen when you drop off your kid(s) at around 5 PM.

4. Contact
