## New Life Korean School Newsletter

Hello, parents/students,

It seems that the autumn has returned. New Life Korean School has completed half of the autumn semester. We extend our gratitude to all the parents and students who have shown us great interest and support during this time.

### **1. Parental Cooperation:**

As you may know, our school starts at 5:30 PM. While we understand it may not be easy to drop off your children after work, we kindly request that you bring them to the school by 5:25 PM to promote a conducive learning environment for all students.

Please ensure your child has a light snack before coming to school and verify if they have completed their homework so they can adapt well to the lessons prepared by our teachers.

With cold and COVID-19 still prevalent, if any student or family member exhibits symptoms of COVID-19 or any other contagious respiratory illness, please allow them to rest at home. If a student's coughing or runny nose disrupts the class, we will provide a separate classroom where parents can pick them up, ensuring a healthy school environment.

### **2. Korean Traditional Culture Experience:**

As advertised through your class teachers, the Korean Traditional Culture Experience will take place this Saturday, September 30th, at 10 AM at New Gate (or Saemoon) Church (3350 S Winston St, Aurora, CO 80013). Students from various Korean Schools in Colorado will gather for an enjoyable time experiencing Korean culture, games, and more. ***Therefore, there will be no classes tomorrow, Friday, September 29th.***

On the day of the event, please drop off your children by 9:55 AM and pick them up at 1 PM. The participation fee for the event is \$10 per student, and we kindly request that you bring cash. We have already provided event-related forms to students, but if you haven't received one, we will have them available on-site for completion.

### **3. Parent Volunteers for Meals:**

We extend our thanks to all those who have participated in meal services thus far. We request continued cooperation for the remaining semester. On your assigned meal duty

day, please come to the school by around 5 PM to meet with the kitchen volunteers. Even if you haven't signed up, we welcome anyone willing to help.

#### **4. Upcoming Schedule:**
