New Life Korean School Newsletter

Hello parents and students,

As always, time has swiftly passed, and we find ourselves sending out the final newsletter of this semester. Thank you for the support you've extended over the past term. Please take note of the events concluding our New Life Korean School this week.

1. End-of-Semester Day Schedule

- This Friday (December 1st) is the last day of the 2023 Fall semester. The school will operate on a slightly different schedule, concluding early, so please consider this while picking up your children. The schedule for Friday is as follows:
 - 5:30 – 6:00 PM: Student progress evaluation
 - 6:00 – 6:30 PM: End-of-term ceremony
 - 6:30 – 7:15 PM: Class-specific end-of-term parties
- As the end-of-term ceremony is brief, we encourage you to stay at the school, attend the ceremony, and then return home with the students.

2. Enrollment for Spring 2024

- The Spring semester of 2024 is scheduled to commence on January 26th and conclude on May 10th. Unlike previous years, we plan to have a spring break during Easter week (3/29), with the remaining weeks held consecutively.
- Registration can be completed via our school website, and paper forms will also be available on the day of the end-of-term ceremony ([online registration for children's classes](#), [online registration for high school/adult class](#)).
- The tuition fees remain the same (first child \$200, second child \$180, third child \$150, etc.), and we're preparing courses and activities related not only to Korean language education but also history, culture, and related subjects.
- A class for high school students and adults will continue.

3. Other Inquiries and Information
