Spring has arrived in full bloom. Now, even the night breeze is not as cold, and you can easily see everything around you coming back to life. All the teachers and staff at our Korean school pray for an abundance of vitality and hope in the lives of our parents and students. We are pleased to send you the third newsletter of the spring semester of 2024.

- To create a safe learning environment for all members of our school, we have established [our school's policy](#) and ask for your cooperation in ensuring that students comply with our school's regulations.

3. Parent Meal Service Volunteers
